

4.3.11 Work

Fig. 4.3.11 Unemployment rates, age 15 to 24 years, Canada and provinces, 2011

Adapted from Statistics Canada CANSIM database <http://cansim2.statcan.gc.ca> table no. 282-0209, accessed on June 29, 2012.

Youth unemployment varies widely across the country. In 2011, the highest rate was in Newfoundland and Labrador at nearly 21% and the lowest rate was in Saskatchewan at around 10%.
